**BARCLAYS**

Barclays Bank has been a long standing supporter of the Prince's Youth Business Trust, not only in terms of financial support but also through the active involvement of a number of our staff.

This year, the bank will spend some £11 million in a wide ranging programme of community activities which includes charitable donations, employment initiatives, secondment of staff and sponsorship of the arts and youth activities.

But money is only part of the help which the bank gives. In fact, there are times when manpower is considerably more important than even finance - which is why the bank lays great stress on its secondment programme, under which it lends over 100 senior members of staff each year to lead or help in a variety of community projects. In recent years a number of bank staff have been seconded to Prince's Youth Business Trust centres around the country, using their expertise to help young people start their own businesses.

We believe working in partnership with such dedicated organisations as the Prince's Youth Business Trust emphasises our own commitment to the community and we wish the work every success.

# CHAPMAN'S CHAT

In Football you must always be prepared to face facts. And the fact is that we have had a poor run of results in recent League action.

Four defeats in a row makes bad reading and I would not wish to offer excuses except to say that our performances have not been as bad as that sequence would suggest.

Last Saturday at Grimsby was a perfect example. We had the bulk of the play, the best scoring chances, more corners and more attempts at goal – yet lost 4–1!

Our problems are two fold. We must start making the pressure count and also cut out some costly mistakes in defence. We made elementary errors at Blundell Park and, as is the case when your luck is out, every one was punished with a goal. Even allowing for our dreadful injury position, I still maintain that we will soon emerge from this poor spell. Today's game offers the best possible opportunity.

We see ourselves up against the best team in the Division – certainly the case based purely on points in the bag.

Southend surprised many people when they surged to the top of the table early on. But they have proved it to be no flash in the pan. They are up there on merit and will provide us with a real test. Southend obviously enjoy an open game and so do we. It should be an exciting contest and, with the right result, could even be a turning point for us.

Finally, a sincere thank you to the fans who followed us to Grimsby – the support was excellent. I can promise you that everything possible is being done to give you something to cheer. We will succeed.

# STARMAN

**PAUL AGNEW**

A new name has joined the race to find the PNE "Starman" of the season.

Steve Harper, who has spent much of the campaign on the subs bench, made the starting line-up at Grimsby last Saturday.

Harper's non-stop display was one of the few highlights of a 4–1 defeat, although Greg Fee and Steve Senior also gave creditable accounts.

On the subject of Fee, the loan defender picked up the 'Man of the Match' award against Reading (12/1/91) while the outstanding effort in the Leyland DAF Cup with Darlington (8/1/91) came from Warren Joyce.

The skipper's late penalty secured North End's place in round two and he was a real inspiration on a night of gales and driving rain.

North End have now been involved in 30 senior matches in all competitions and the "Starman" table stands at:

| | Awards |
|---|---|
| Ian Bogie | 5 |
| Jeff Wrightson | 4 |
| Warren Joyce | 3 |
| Adrian Hughes | 2 |
| Martin James | 2 |
| Graham Shaw | 2 |
| Alan Kelly | 2 |
| Steve Senior | 2 |
| Mike Flynn | 2 |
| Greg Fee | 2 |
| Neil Williams | 1 |
| Simon Farnworth | 1 |
| Mick Rathbone | 1 |

# IN RESERVE

**PONTIN'S LEAGUE DIVISION TWO**

**Tuesday, 15th January, 1991**

**v. Mansfield Town Reserves (Home)**

This match gave North End their first Pontin's League action of the New Year. Last weeks fixture against Grimsby Town at Blundell Park became a casualty of the adverse weather conditions, when high winds caused structural damage at the ground and the game was postponed.

Manager Les Chapman refused to risk both Tony Hancock and Dave Thompson due to the wintry conditions. They are both on their way back to fitness after long term injuries, but young 17 year old Craig Moylon started his first full Pontins League match at right-back, Martin James was employed as a sweeper with Peel and Greenwood playing as the two strikers, so the team was nicely balanced with a blend of youth and experience.

North End and Mansfield Town reserves are both in the bottom half of the table, with "The Stags" two places below Preston in 13th spot. The visitors side which started the game included eight players as we know of that have played Barclay's League Football.

**The Teams Lined Up:**

**North End Reserves:** Farnworth, Moylon, Siddall, James, Burrow, Lambert, Kerfoot, Eaves (Capt.) Peel, Greenwood, Harper.
*Subs:* Ashcroft (for Harper 77 minutes), Flitcroft (for Kerfoot 77 minutes).

**Mansfield Town Reserves:** Pearcey, Hunt (Capt.), Prindiville, O'Brien, Smalley, Kearney, Shaw, Stringfellow, Leishman, Wilkinson, Morgan.
*Subs:* Hall and Taylor (Not used)

**First Half**

The home side set the game in motion attacking the Town End goals. The frosty plastic surface made it very difficult for the players to turn and control the ball. Nat Peel was showing fine form right from the kick-off and made two openings early on for Kerfoot and Greenwood, but these chances were missed due more to the players not having got used to the pace of the pitch than anything else.

Mansfield's Leishman brought a save from Farnworth then a 20 yard run from skipper Hunt ended when he shot from the edge of the penalty area beating Farnworth, the ball going right across the face of the North End goal and out for a goal-kick.

North End began to dominate the play. Peel was really putting himself about and causing "The Stags" defence all sorts of problems. James, Greenwood and Peel himself all had efforts on goal as North End really began to "buzz." In the next 19 minutes we saw Preston go on a rampant scoring spree.

From Harper's left-wing cross a Greenwood header was turned over the bar by keeper Pearcey. Harper's corner-kick went over to the far side of the goal, Kerfoot headed back across goal for Peel to score. 1–0 (21 minutes).

Peel grafting well again fed James just inside the visitors box and he drove the ball home in fine style with the Mansfield defenders helpless. 2–0 (26 minutes).

Burrow's broke away down the right and delivered a glorious centre for Greenwood to convert a fine goal on the far post. 3–0 (28 minutes).

Harper again sent a ball over from the left to the far post, Eaves got up to head across goal for Greenwood to head home at the opposite post. 4–0 (40 minutes).

This had been a real dominating period for North End with Mansfield being completely outplayed.

*Half-Time:*
**North End Reserves 4**
**Mansfield Town Reserves 0**

**Second Half**

Mansfield won a corner in the first minute after the re-start and when the ball came over from the flag kick, James did well to head the ball over his own bar to safety.

But it was soon bad news again for Mansfield when they allowed James the time to go on a long solo run from the back to present Peel with a superb pass. The in-form Peel struck his shot well from the edge of the box to put North End five goals ahead (50 minutes).

***North End Man of the Match: Nat Peel***

Six minutes later came a let off for Preston when from a left wing corner Wilkinson hammered a shot on goal only to see it rattle the crossbar. Despite this North End were cruising and well in control. After 77 minutes they made a double substitution, Ashcroft replaced Harper with Flitcroft taking over from Kerfoot. Flitcroft had only been on the field ten minutes when he registered his first Pontin's League goal, scoring from 18 yards, after another fine North End build up. He almost netted again in the next attack from the same position but this time the keeper saved his shot.

There was just no way back for the visitors who were a well beaten side and were glad to hear Referee Mr. J. B. Robinson's whistle to end the match, strange to me that they had never bothered to try either of their subs.

*Full-Time:*
**North End Reserves 6**
**Mansfield Town Reserves 0**

A good team performance tonight, though it must be said that Mansfield were only a poor side. All the North End players played their part well. It was good to see so many youngsters doing well. The honour of best performer goes to Nathan Peel for his positive attitude to his game, lets hope he can do it at Barclay's League level.

# FOCUS ON YOUTH

**LANCASHIRE LEAGUE DIVISION ONE**
**Played at Manchester City Training Ground, Manchester**

**SATURDAY, 8th DECEMBER, 1990**

**MANCHESTER CITY 'A' 3**
**PRESTON NORTH END 'A' 2**

**MANCHESTER CITY 'A':** Margetson, Foster, Wills, Peters, Brightwell, Wilson, McCullough, Ward, Dyer, Flitcroft, Hughes.
Subs: Locke, Mulvey.
**PNE 'A':** Farnworth, Moylan, Siddall, Eaves, Williams, Lambert, Cartwright, Kerfoot, Peel, Edmunds, Ashcroft.
Subs: Hindle, Schofield.

North End 'A' travelled to play Manchester City 'A' with the intention of toppling the league front runners and to enhance their own position in the upper regions of the Division.

The opening exchanges were played at a fast pace and North End raced into a two goal lead within the first twenty minutes. Firstly Lee Cartwright drove the ball home past Margetson after fine work down the left flank by Lee Ashcroft and Adam Siddall. Then in the twentieth minute Neil Edmunds turned another fine cross into the City net and at this point North End really held the initiative and were playing well within themselves.

Simon Farnworth in goal made a number of good saves from the lively City attack and Neil Williams playing in the middle of the back four on his return from injury was constantly in the thick of the action.

City were certainly rocked by the two goal burst and Glyn Pardoe, the manager, called for more effort by his side. Hughes on the left flank was a source of danger and Craig Moylan had his hands full in keeping a tight rein on the players' surging runs. It came as no surprise when Ward met a neat cross to send a curling header past Farnworth into the North End goal. This was the spark which set City into further action and with Flitcroft and Brightwell prompting purposeful attacks, the North End defence became hard pressed to hold the barrage of shots by the City forwards.

The defensive wall was breached by Wilson who managed to rifle home an oblique shot from just inside the area after good work by Hughes. The same player put City ahead just before the interval and came as a failure by the North End defence to close down the rampant City forwards.

From holding a clear advantage the North End team found themselves chasing the game through some basic mistakes and the half-time managerial talk was less than mild in its delivery but absolutely justified in the circumstances.

The second-half saw North End taking the game to City, both Siddall and Moylan changed positions which had the desired effect of controlling the lively Hughes. Both Nathan Peel and Neil Edmunds tried hard up front to unsettle the City back four. In fact North End matched their opponents stride for stride and whilst no quarter was being given the second period was turning into a very exciting affair.

City for their part made regular raids on the North End goal but with little success and North End did likewise but Peters and Brightwell held firm in the centre of the City defence. Both defences cancelled out the respective opposing forwards and as a consequence the score remained unchanged.

On reflection North End deserved at least a point from this encounter but it was City who took the spoils thanks to a spirited fight-back when two goals down. The football produced by both sides was of a high order in the wintry conditions and a credit to the twenty-two players. Neil Williams came through his comeback unscathed and whilst North End returned home without a point from their endeavours, the fact that the second forty-five minutes showed they were as good as their illustrious opponents made the defeat not as convincing.

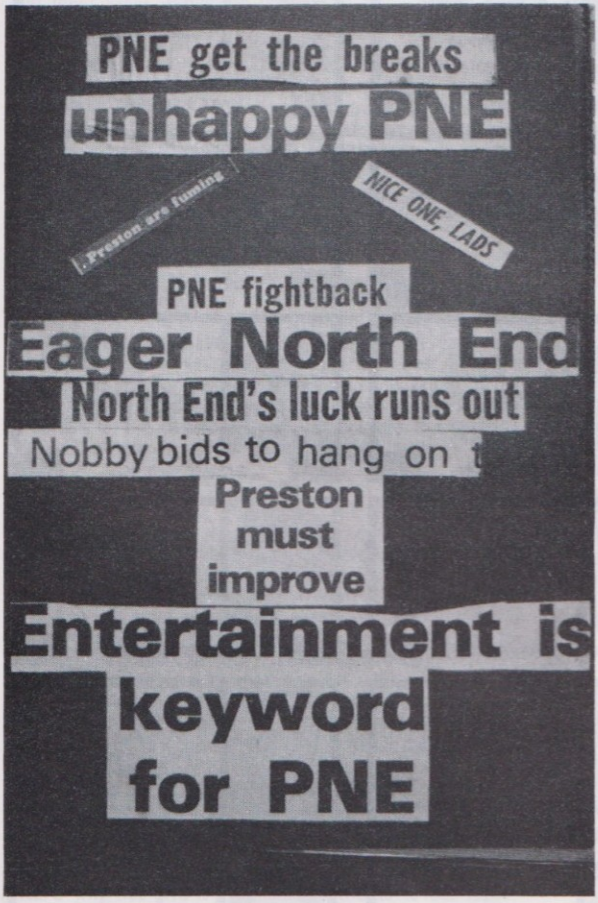
## "HEADLINES"

When I was trying to think of a suitable cover design for one of my scrapbooks a few years back I came up with the idea of putting a selection of newspaper headlines onto it. As you can see from my photo it produces a variety of words summarising the ups and downs of the club.

I sometimes wonder who actually compiles these gems for the papers and I'm sure that not everyone is from an eye witness account. Also I noticed how different these headlines are now compared with years gone by. I recently obtained some cuttings from around 1938 and 1939 and the headlines in these make interesting reading. For instance a 2–0 away victory at Birmingham was headlined, "Cool Preston contrast to badly flurried Birmingham!" Another match, a Cup tie against Newcastle at Deepdale was captioned, "North End's Cup-tie win, spell of power in attack, then scrappier passages".



There was another game at Deepdale against Leeds which had the headline, "Leeds man breaks leg – Spectators faint". It turned out that a player called Powell had broken his leg and the report says, "Eight minutes passed before he was removed on a stretcher, and four spectators fainted!"

Some of the sub-headings were good too. They usually announced a new paragraph with such lines as "Holdcroft's confidence", "Frank O'Donnell replies" or "Beaten by a touch". There is one classic headline to a picture of a shot squirming under the grasp of a Grimsby goalkeeper. It reads, "Mortification!" Of course even in those days there were headlines of the Preston players' off the field activities. This one made a good story, "Cup Final captain's romance is secret."

It referred to Tom Smith who had just become engaged to a Scottish lass called Margaret Gilmour from Kilmarnock. Tom was quoted as saying, "I don't want to say anything about it, can't we talk about football?"

# PROGRAMME REVIEWS 1990/91 – continued

**MANSFIELD TOWN**
70 pence for 32 pages of which 12½ are adverts, this issue has an attractive cover and good use of club colours throughout. 3 pages are filled with details about North End however from the extensive pen pictures only 5 players featured actually played in this fixture. There are only sparse details about Reserve and Youth sides and a fairly irrelevant page detailing a game 18 years ago versus Southport! All in all very little to read and this standard Mansfield issue is very similar to last seasons effort, only the price saves it from an even lower rating. Rating 5/10.

**ROTHERHAM UNITED**
80 pence for 40 pages, 15 of adverts. This is a quality glossy programme from Millmoor in which even the adverts are arranged so as not to spoil the effect. It has many praiseworthy columns such as Where are they now? Millers Ladies F.C., Schoolboy, Youth and Reserve features, even a programme review! It is an excellent issue with plenty to read and good value. Rating 8/10.

**WIGAN ATHLETIC**
32 pages for £1, 11½ pages of adverts. This is a real step up in class for Wigan and an issue the club can rightly be proud of. It starts well with a glossy colour cover and the quality continues right through. It is a larger than average size but is well laid out with all aspects at Springfield Park well covered. The statistics alone are worthy of mention and would be able to answer most supporter's queries. A dramatic improvement from Wigan. Rating 8/10.

**CARLISLE UNITED**
40 pence for 8 pages, 2½ of adverts. Perhaps unfair to review this particular issue as it was non-standard produced for our Leyland DAF Cup preliminary fixture at Brunton Park. For me it was both suitable and sufficient for the game and for the record detailed visitors North End over 2 pages together with a summary of how both clubs faired in the previous years competition. It would be unfair to give a rating to Carlisle for this particular issue, perhaps later this season I may get chance to review their standard issue.

**BRADFORD CITY**
80 pence for 32 pages, 13 of which are adverts. Again as with so many this season an excellent cover and good use throughout of the City colours. Inside a tremendous overhead photograph of the 'New' Valley Parade also several decent columns covering first and last meetings between our two clubs and brief summaries about Reserve, Youth and a player profile. The programme however was for me only an average Third Division programme. Rating 7/10.

As a footnote to the programme review the Bradford City Fanzine 'City Gent' was openly on sale from the pitch perimeter and by all accounts sells well without affecting programme sales. This fanzine is one of the originals and contains a wealth of information and comment perhaps other such fanzines could use their undoubted talents to become involved in the club programmes. Surely an 'Independent or Alternative' view should be welcomed and as all programmes, certainly North Ends carry the words Views and Contributions do not necessarily represent the views of PNEFC why not give it a go and contribute to our issue.

**LEYTON ORIENT**
An issue of 36 pages, 13 of which are given up to advertising with a cover price of £1. This is another glossy production with an original colour front cover photo which changes each week. The programme has a detailed news page, keeping supporters informed of events at Brisbane Road covering all things from an injury update to transfer news speculation. A full page is devoted to a player profile, the manager page, three pages about North End, commercial page, Reserve and Youth pages and detailed club statistics. All in all not a bad effort, let down by the price, large print and only limited matchday reading. Rating 6/10.

**CREWE ALEXANDRA**
£1 for 28 pages, 9½ of which are adverts. Manager Dario Gradi takes almost 1½ pages to get across his opinions in a column which comes over as having been written with meaning as opposed to some managers who seem to see the task of informing the supporters of events as a weekly bind. Most aspects of the club are reasonably covered in the programme but overall feeling is that the content is well spread out for example the 3½ pages set aside for information about North End could have fit easily over 2 pages. The actual reading material in the Crewe effort is therefore limited and the emphasis seems to be on colour photos of Crewe players in previous games, (2 full pages) rather than matchday information. For me this programme begs the question, 'What do we want from a programme, a colour magazine or information about the game?' Rating 6/10.

**BURY**
£1 for 38 pages, printed by Chester IV Graphics of Ellesmere Port, who also print Chester City's 1990/91 programme. This Bury issue as with Chester is a credit to the club. It is well printed throughout, well arranged, has colour, originality and a large range of contributions from various loyal supporters involved in the issue. Even the 12½ pages of adverts do not spoil the programme with most of the adverts even having a Bury F.C. player or players involved in them. The colour cover changes weekly and the coverage of North End is by far and away the best we've received all season. I honestly couldn't think what else a supporter could ask of his clubs programme and whilst not usually in favour of the £1 issues found this programme value for money. Rating 9/10.

***As with most earlier season issues these programmes are still available at the Commercial Office at cover price.

Preston, without a League victory in nine games were desperate for something out of their Friday night trip to the seaside. They came up trumps with two goals in three minutes and some fine goalkeeping from Peter Litchfield.

A first minute miss by Keith Mercer left the way open for Preston to take a tenth minute lead when Peter Sayer centred from the left and Steve Elliott scored with a low shot in off the post. Three minutes later a bad back pass from Micky Stead was intercepted by Graham Houston and the winger tucked the free gift away. Despite this two goal lead Preston still showed defensive weaknesses that had dogged them all season. These were exploited by Southend who fought back well.

After 24 minutes Ron Pountrey found Mercer and the centre-forward made up for his earlier miss by pulling a goal back. With four minutes to go before half-time Southend equalised. There was a terrific scramble in the goalmouth and the ball bounced out a couple of times before Garry Nelson followed up to shoot through a forest of legs.

Southend began the second half in furious fashion. Litchfield made a brilliant save from a Paul Clark header and some desperate defending kept the home side out. As the half progressed though Preston regained control of the midfield. Willie Naughton, always in the thick of things hit a fine long range shot just wide as a clever break almost brought a third goal. With ten minutes to go another good move out of defence did regain the lead for Preston. Again Naughton was prominent but it was Elliott's clever control that set up Mark Walsh to knock in the goal.

It brought a storming response in the last ten minutes from Southend and Litchfied saved Preston with superb saves from substitute Steve Yates, Danny Greaves, twice, (son of Jimmy by the way) and Nelson again. In the end though Preston held on to their lead to record only their second away win of the season.

**Teams: Southend** – Keeley, Stead, Hadley, Clark, Otulakowski, Cusack, Pountney, Phillips, Mercer, Greaves, Nelson.

**PNE** – Litchfield, Westwell, McAteer, O'Riordan, Coleman, Gowling, Walsh, Sayer, Elliott, Naughton, Houston.

# PRESTON NORTH END
# 116 YEARS AT DEEPDALE

Exactly 116 years ago to the week, 21st January 1875 to be precise, the North End Cricket Club leased a field on Deepdale Farm and although the club had not as yet kicked a ball, the Deepdale location was destined to become an arena graced by many of the country's finest footballers.

The club who only played cricket at the time had moved across from nearby Moor Park where they had been since 1867. Once at Deepdale, North End spent money on the ground and erected a pavilion at an estimated cost of £10. The club at the time had close upon 100 members with Mr. J. Sumner being the chairman and Mr. W. Naylor the secretary. Its a great pity that the committee then did not have the foresight to purchase the ground outright because Preston North End have not in their long history ever owned the ground.

From 1876 annual athletics meetings were held at Deepdale and the club also tried their hand at rugby football. Although winning 10 out of 14 rugby football fixtures during the 1878/79 season North End experimented with the "round-ball" game on 5th October 1878, narrowly losing 1–0 to Eagley, this being Preston North End's first soccer game. There was enough interest created in the surrounding area for the club to concentrate totally on soccer from May 1880. The chairman at this time was a certain Mr. William Sudell who was to become a very influential gentleman in the creation of the 'Old Invincibles' and professional football generally.

In the eight years from starting playing football (1880) to the founding of the Football League (1888), Preston North End played over 370 games and only lost 48 times scoring over 1,600 goals in the process. When the Football League was formed in 1888 12 teams were chosen as founder members. These were Accrington, Aston Villa, Blackburn Rovers, Bolton Wanderers, Burnley, Derby County, Everton, Notts County, Preston North End, Stoke, West Bromwich Albion and Wolverhampton Wanderers.

Disregarding the defunct Accrington club it is interesting to see how many of the clubs actually played on their present grounds, back in 1888.

Fiercely competitive and experienced central defender who had a superb testimonial last term. Now reverted to a playing role from Team Manager and as capable as ever.

Free transfer from Crystal Palace, and could prove to be the bargain of the summer with his classy midfield abilities, once he forces his way into the senior side.

Former England Youth captain, capable in the back four or midfield. Ex-Wimbeldon, but a favourite with home fans. Discovered an early season goal scoring touch to add to his armoury.

"Already, CCTV has had a major impact on the hooligan problem inside football grounds as well as proving extremely useful to monitor safety measures. If any trouble appears on the screen or is reported from any quarter of the ground, the CCTV can zoom in on the incident. The police can then record what occurs on colour video and on hard copy prints. Individuals can be picked out by facial appearance and the colour of their clothing. The evidential effect of such a video recording has proved formidable. It has persuaded hooligans, who would previously have sought to challenge oral evidence of identification, to plead guilty. Hooligans know cameras are keeping a roving watch and their activities in the ground are inhibited by that knowledge."

# COMMUNITY NOTES

Despite the fact that we are established as the leaders in promoting community initiatives some people are still a little uncertain about our precise role. This is understandable given that our involvement within the community is so diverse. Therefore I have included in my notes a copy of an article I wrote recently, which appeared in the schools Football magazine. Hopefully this will give people a better understanding of the nature of the work we seek to undertake.

May I also at this time extend my best wishes to three of my staff who shall be leaving the Community Programme this week. John Kearns, Michael Van Holsbeke, and Nina Heron are due to explore new roles in other aspects of leisure and recreation, but may I say, their hard work and endeavour has been invaluable to me over the last 12 months and I wish them all every success for the future.

## Serving the People of Preston

**by Oshor Williams, Community Development Officer, P.N.E.**

Since its inception four years ago, the P.F.A.'s Football in the Community scheme has gone from strength to strength expanding from its six original clubs to 49 in this short period. The pilot scheme was launched using six clubs based in the North West, P.N.E. being one. The aims of this initiative were to promote football in a positive light and to establish stronger links between the club and the local community and social sporting events.

At Preston North End, this also coincided with the laying of a new synthetic playing surface, enabling my predecessor, the late Mick Baxter, to devise one of the most successful and imaginative programme of activities incorporating all areas of the community.

Over the last year it has been my pleasure and privilege to continue the work Mick started which culminated in Preston North End Community Office receiving awards from both the Football Trust and the Football Supporters Association for its endeavours in this field.

**SCHOOLS PROGRAMME**

The Community Office 'Schools Programme' which was set up in consultation with the Local Education Authority, involves a block of six coaching sessions and fun activities. The package also included a visit to the Football Club for a training session on the plastic pitch and an invitation to attend a P.N.E. home match as our guests. Although we are based at a Football Club, mnay people are under the misapprehension that we offer only football related sessions. Far from it, we offer coaching in a number of sports to both boys and girls; these include hockey, short tennis, rounders and co-ordination skills.

**SOCCER SCHOOLS**

In accordance with our aims to open up the resources of P.N.E. F.C. to people in the community, our office organise and staff a number of Soccer Schools during the holiday periods. These have now become an important feature in offering a structured programme of football coaching to benefit children of all ages and abilities. As well as three days of technique practices, fun games and small sided games, each child receives a certificate and an item of P.N.E. memorabilia.

**DISABLED/MENTALLY HANDICAPPED**

We specifically target to work with these groups. As a result we are now involved with a number of special needs organisations on a regular basis. This involvement varies from arranging coffee mornings at a local handicapped centre to supervising competitions in hockey, football and bowls on the pitch between different handicapped groups. Incorporated within this sphere are the Special Schools for those children who have particular problems. Many of these children have proved to be the most enjoyable to work with and help to make our efforts more rewarding.

Czechoslovak international Michal Bilek was 'speechless' after being sent off on his debut for Spanish First Division outfit Real Betis.

He was dismissed for swearing at the referee. So, you may well ask, what is so unusual about that?

Well the fact is that poor old Michal cannot speak a word of Spanish.....!

Who is the highest paid soccer chief in the world?

That fortunate fellow is Johann Cruyff who has just agreed a new two-year contract with Barcelona worth £1.8 million a year.

Cruyff was reported to have been considering a return to his native Holland to form his own club to rival Ajax and PSV Eindhoven.

Wonder what changed his mind?

Here in England we look upon Manchester United as the best supported club. This season's biggest gate came at Old Trafford when 47,485 watched the Christmas fixture with Aston Villa.

In Spain, thats nowt! Take last weekend when Real Madrid's home date with Barcelona was witnessed by 110,000. Depite such marvellous crowds, Real report that they are £7 million in debt.

# COLLECTORS CORNER

This afternoon's featured programme is a real fans issue, although it is for a Central League game. I say a real fans issue because of the fact that it is virtually void of advertisements other than the one seen on the front cover. This large 6-page programme dated 12th November, 1938 cost 1 penny at the time and had more than enough information in it regarding the home team. It gave a complete list of Everton players on the staff stating height, weight and birthplace, as well as players appearances and goals for the first eleven, reserves and the 'A' team. Fixtures and results of these teams were also listed besides full, up-to-date League tables of all four English Leagues, Scottish League and Central League plus the Leagues that Everton's 'A' and 'B' teams played in.

The back page was devoted entirely to their "commercial department", selling club ties for 2/6d (12½p); photographs of Goodison for 3d and programme subscriptions at 6 shillings (30p) for the season! There was also a lost and found column giving information on exactly whereabouts in the stadium the articles were lost and found.

On the team page North End were numbered 12 to 22 as per normal pre-war. Fairbrother, Maxwell and McIntosh were in North End's line-up but North End still lost 3–0. Collectors of reserve team programmes might not realise that Preston North End printed "full programmes" for Central League games before the war and also for 1946/47 season before turning to the "single-card" type team sheet.

Please write in and let us know of your oldest PNE Reserve programme. Thank you.

# AGNEW'S VIEW

PNE fans entering Grimsby last Saturday could have been excused for thinking that the area had fallen foul of a major incident.

Cars were being stopped for random checks in what looked a full-scale police exercise. Police vehicles were parked alongside the sea-front at nearby Cleethorpes and there were a large number of mounted officers on patrol.

The purpose of this police presence was, in fact, based around the afternoon's football fixture at Blundell Park!

Talk about over the top – it was all a bit like hiring a bulldozer to demolish a wendy house.

* * * * *

How the mighty fall – Peter Barnes, once the golden boy of English soccer has agreed to join Radcliffe Borough of the HFS Loans League.

* * * * *

Geoff Twentyman, once of this parish, got on the scoresheet last Saturday. Unfortunately, Twents put through his own goal to present Wolves with a point at Bristol Rovers.

Aldershot have agreed what must go down as a sponsorship "first".

A local computer company is to advertise . . . on the players' jock-straps!

When asked about the bizarre deal, a spokesman for the company said: "We just felt that the lads needed the support!"
